

PARAMEDIC AND CRITICAL CARE CHALLENGE REFRESHER COURSE

The Southern Tier Paramedic Program (Lourdes Hospital Course Sponsor) has received NYS DOH BEMS approval to conduct a Paramedic and Critical Care Challenge Refresher to meet an immediate need in our Region. This program is open to ALL Paramedics and Critical Care Technicians wishing to renew their NYS Certification.

Participants only need to attend the initial registration and testing day and any class covering material they require review of and the New York State written exam. Participants who are weak on any skill on the initial day's skill evaluation will be required to attend & successfully complete a skills exam at the conclusion of the course prior to their NYS exam.

Schedule

This course starts in one week on **FRIDAY, APRIL 15th at 9:00 am to 5:00 pm** in the Decker Building on the Broome Community College campus. This is a required session for ALL participants. **All classes are scheduled for Fridays during the same times**, with the last class on Friday, June 10th. **The New York State Written Exam is Thursday, June 16th in the evening.**

This class will include an American Heart Association Advanced Cardiac Life Support (ACLS) refresher course on Friday, May 20th from 9:00 am to 5:00 pm. New ACLS guidelines will be provided and taught and ACLS cards will be issued.

Please call the STPP at 607-778-5387 to register

American Heart Association Advanced Cardiac Life Support (ACLS) Refresher Course

The Southern Tier Paramedic Program is also offering a one day American Heart Association Advanced Cardiac Life Support (ACLS) refresher course. The cost for this one day refresher course is \$75 which includes the spiral bound 2010 AHA guidelines pocket manual and your ACLS card. The date of the ACLS course is FRIDAY, MAY 20th from 9am to 5pm at the Decker Health Science Building, Room 119 on the BCC Campus.

**Please call 607-778-5387 as soon as possible to register
for the ACLS Refresher class.**
